If such Force Majeure event prevents or delays the delivery of the Goods and/or Services for more than one week after the Date for Delivery, the Authority shall be entitled to terminate the Contract by giving the Supplier written notice and in this event, the Authority shall pay to the Supplier such reasonable sum as may be agreed between the parties in respect only of the expenditure actually incurred and commitments entered into by the Supplier in the performance of the Contract up to the date of the Force Majeure notice.

General terms and conditions of purchase
